

Beyond Sunday 5.14.17 - Mother's Day

Group/Individual Study

Series: "Bless this Home" - Pure in Heart Passages: Philippians 1:6, Matthew 5:3-12

REFLECT on the message heard Sunday, 5/14 Mother's Day

1. What did you hear from the Mother's Day guest panel that touched your soul? And why?
2. Read Philippians 1:6. What was the intent of Paul writing this passage? Why would he? And how does it relate to your life?
3. Paul is speaking to us about not losing heart or focus when we don't see things coming together in our lives. How has God helped you to wait patiently for His good work in and through you to be carried out?
4. Jesus wants us to feel deeply satisfied in Him regardless of our circumstances. Read through the Beatitudes (The Blessings from God) in Matthew 5:3-12. Which one can you most relate to in your current season of life and why?
5. Have you ever considered praying the Beatitudes for yourself or others? How might this benefit you and or your group? (i.e. *Lord help me to hunger and thirst for righteousness, Lord help Mitch clear out the impurity in his heart so that he can see you*, etc.)
6. Pray for yourself and others (spouse, kids, parents, roommates, friends, coworkers, etc.) using the Beatitudes.
