WHAT IS THE PURPOSE OF THE GLOCAL HUB?

Seek, serve, and disciple the least reached and most vulnerable. In today's world, 25% have no way to hear the gospel. 50% live on less than \$2.50 a day. 160 million children have no family. 40 million adults and children are enslaved through human trafficking.

Every member on missi0n. PCC'S Vision 2025 invites every PCC'er to intercultural ministry.

Equip for prayer, advocacy, and care. Prayer moves the hearts of God and people. Advocates change society, and Christ-filled caring changes individuals.

Develop leaders of sustainable holistic partnerships. Glocal leaders empowered and equipped to own their own ministries will see the greatest and longest lasting returns.

Send and support missi0naries. Whether going out or coming home, all those sent need prayer and care.

REDWOOD CITY READS

Travel across our city. Meet an immigrant
child waiting for someone to lovingly help him
or her with reading. One hour a
week can change a child's life. 
Redwood City Reads is a first
step to intercultural ministry that calls all to
serve. Generationsunitedrwc@gmail.com

MICHOÁCAN, MEXICO

August 2018: Ask God if this is a place where
He would like your heart. 
Redwood City Reads families have
roots in this area, with many still in
areas of little known gospel presence because
of the power of the drug cartel. A playground
will become a hub for believers there to reach
into communities where there is still no church.

Send and support missionaries

TCK Ministry One of the best ways
to bless missionaries is to bless their
children. Teaching third
culture kids (formerly called
MK's) while their parents 
retreat gives rest to parents & brings new
loving, caring adults into each child's life.
Feb. 16-23, 2018: Chiang Mai, Thailand
