

TOGETHER WE ARE PCC

OUR VALUES

Beyond Sunday

WEEK THREE

The Book of Acts details the start of the early church. In this seven-week series, we will call ourselves to strive toward our six PCC values as we are inspired by those who did the same as they established the Church. And if we do so, both individually and corporately, we will experience freedom and become a part of His glorious movement in a needy world.

This week we reflect on how commitment to share Jesus can change the world.

1

Who shared Jesus with you and how did it change your life?

2

Reflect on what Jesus told the disciples in [Matthew 28:19-20](#) and then what they did ([Acts 11:19-26](#)). What took place in the disciples' hearts and minds in order for them to follow through with what Jesus commanded?

3

What hinders us from sharing Jesus with others? And what motivates you to share Jesus with others?

4

If sharing Jesus was as simple as finding those who are persons of peace (interested in you and what you have to share) and telling them what you have experienced with God, how would that change your motivation and approach with others? And what if you knew that 1 out of 4 people would be interested in growing in their relationship with God? How would that motivate you even more?

5

BLESS (*Begin with prayer, Listen, Eat, Serve, Share*) is a natural way of compassionately connecting with others and in time sharing Jesus with them. Who in your life do you desire to BLESS and why? How will you commit to doing so?
