

ORDINARY PEOPLE WITH ORDINARY

CALLINGS

<< BEYOND SUNDAY WEEK SIX >>

During this 9-week series, we will focus on what it means to be called by God. Simply put, we are **Ordinary People with Ordinary Callings**. **We each have an ordinary call that takes a unique shape in a specific place**. Our ordinary call is 3-fold: Loving God & others (Connection), making disciples (Multiplication) and healing a broken world (Restoration). The SHAPE it takes is based on our **S**piritual gifts, **H**eart, **A**bilities, **P**ersonality and **E**xperiences. The place we find ourselves is where God has positioned us in the world. This week, our focus will be on how to live into our call of multiplication by learning, modeling, and intentionally passing it on.

1

In what ways are you living more or less into your 3-fold calling? Why or why not? Which area of your call (Connection, Multiplication, Restorations) do you find most challenging?

2

Read and reflect on [2 Timothy 1:1-7](#). Who is Paul writing to? And who is Paul acknowledging has influenced Timothy's faith? How does this make you feel about ordinary people living into their ordinary calling of multiplication? What else stands out to you?

3

If you wrote a letter that acknowledged those who influenced your faith, who would you include and what would you say about them?

4

Review [2 Timothy 3:14-17](#). What did Timothy learn? And what does this say about the importance of Scripture being central in our lives? How central is Scripture in your life?

5

Read through [2 Timothy 2:1-2, 3:10-14](#). What are these passages saying about modeling and the passing on of faith? In what ways are you strong and weak as doing this with others?

6

Who do you most desire to pass your faith onto? Make a list of the top five people and spend time praying for their hearts to be open and for you to be faithful in your approach with them?
