

ORDINARY PEOPLE WITH ORDINARY

CALLINGS

<< BEYOND SUNDAY WEEK SEVEN >>

During this 9-week series, we will focus on what it means to be called by God. Simply put, we are **Ordinary People with Ordinary Callings**. **We each have an ordinary call that takes a unique shape in a specific place.** Our ordinary call is 3-fold: Loving God & others (Connection), making disciples (Multiplication) and healing a broken world (Restoration). The SHAPE it takes is based on our **S**piritual gifts, **H**eart, **A**bilities, **P**ersonality and **E**xperiences. The place we find ourselves is where God has positioned us in the world. This week, our focus is on how Jesus can call everyone and anyone into sharing the Good News.

1

In what ways are you living more or less into your 3-fold calling? Why or why not? Which area of your call (Connection, Multiplication, Restorations) do you find most challenging?

2

[Watch this video](https://www.youtube.com/watch?v=eI7dzoNV3IY) (www.youtube.com/watch?v=eI7dzoNV3IY) of the woman at the well. How does this make you feel? What in the video are you most drawn to? In what ways can you relate to the video?

3

[Read John 4:1-38](#). What does this story tell us about Jesus, the woman at the well, the disciples and the culture of the time? How does it relate to our times and to our lives?

4

Note the outcome of this encounter in [John 4:39-42](#). How is this inspiring to you?

5

In the end, she told people what she knew about Jesus. Why is this so difficult or easy for you? What is the Spirit of God nudging you toward when it comes to sharing the good news of Jesus? What do you need from God or another to help you do so? How could this [BLESS model](#) help you?
