

CHURCH: COMMUNITY

BEYOND SUNDAY

8.27.23

What does it mean to be the church of Jesus Christ? During this 8-week series, we will focus on what it means to be the community of believers. This week, our focus is on recognizing our forgiveness and who we are called to be as a **giving community**.

1. God asks us to bring a tithe. In what do you invest your financial giving? What is the evidence that financial giving is an act of worship and a spiritual discipline in your life?
2. What are the consequences of saying we bring a tithe but do not in fact give away a tithe?
3. God challenges us to test him on this, to give a full tithe and see if He will in turn bless you richly. To what do you give wholeheartedly? Why does that bring you joy?
