## Immeasurably More: It's our Turn to Row — Mark Tumney

- 1. Reflecting on Legacy:** As we wrap up this series, think about the faith and sacrifices of the original 22. Which of the covenant practices (Gather, Grow, Give, Go) do you feel most confident in, and how has this series strengthened that area?
- 2. Unity in Action:** Over the course of this series, how has your understanding of unity within the church grown? Which covenant practice feels like an area where you still need to trust God and step out in faith?
- 3. Personal Commitment:** As we conclude, what does “picking up your oar” mean for you moving forward? How can the commitment to Give sacrificially guide your next steps in supporting the church's mission?
- 4. Faith in Action:** Reflecting on this series, where have you seen God working immeasurably more than you imagined in your life? Where do you feel called to grow in faith as you continue to live out the covenant?
- 5. Experiencing Community:** Looking back, how has being part of this group helped you deepen your connection with others and grow spiritually? How can you continue to Grow in community beyond this series?

- 6. Immeasurable Impact:** As you reflect on the Ephesians passage and the journey of this series, where do you feel most aligned with God's vision for your life? How does Gathering weekly in worship strengthen your resolve to keep rowing?
  
- 7. Challenges in Rowing:** What have you learned about yourself during this series regarding your role in the church's mission? Why is that important to you?
  
- 8. Generational Impact:** As we consider future generations, who has God placed in your life to BLESS and invite into the boat? What step will you take to live out the Go commitment this week and beyond?
  
- 9. Sacrificial Living:** Reflecting on this series, where have you seen growth in your ability to sacrifice for God and others? What's one way you'll continue to challenge yourself to live out the covenant role of Giving?
  
- 10. Vision for the Future:** As this series concludes, how do you see yourself contributing to PCC's future and legacy? What's one specific commitment from the covenant you'll carry forward as your "oar stroke" in this mission?
