Built to Worship — 7.3.25

Staying on God's path when facing a "headwind" — Ben Pierce

- 1. Read Nehemiah 4.**
- 2. Read Psalm 78:72.**
- 3. Where do you see Nehemiah living out "Integrity of the heart" (pressing hard into the Lord) in chapter 4?**
- 4. Where do you see Nehemiah living out "Skill of the hand" (tactics, strategies, and practical ideas to deal with the "headwinds")?**

5. Read Luke 10:38-42.

- Which sister leans more towards "Integrity of the heart"?
- Which sister leans more towards "Skill of the hand"?
- Why do we need both when we are facing headwinds?
- How does doing both help us stay on God's path better than only doing one or the other?

6. Read Acts 16:6-10.

- Have you ever had a time when what you initially thought was a negative "headwind" was actually God trying to restrain or redirect you?
- How do you think we tell the difference between headwinds we need to press through and God's restraining or redirecting hand?
